Diagnostic Questions
Guidelines for

Creating the Stakeholder Feedback Data Document
Stakeholder Feedback Data Document

Two Purposes:

1. Designed to support the narrative responses for the Evaluative Criteria and Diagnostic Questions.

2. Provides the External Review Team a “brief summary” of the stakeholder feedback results prior to the AdvancED External Review.
Step 1. Select data and information for your document: Narrative 1 Survey Administration

How did you ensure that the surveys were administered with fidelity?

- Document how you met the minimum response rates. (20% Parents, 40% Students, 60% Staff)
- Describe accommodations provided to participants? (paper surveys for those without internet access, alternate language surveys, etc.)
- Description of how you ensured participation was reflective of the overall population.
