Summer Tutoring Program at the City Library for school-age children.

Preschool for ages 3 & 4

Quality childcare for infants & toddlers

Performance Indicators

for child education

- 50% of children entering kindergarten will make a gain of 4 standard score points from fall to spring as measured by PPVT-4

(Crete ES: 5 of 8)

- 50% of children entering kindergarten will name 12 uppercase letters of the alphabet as measured by the PALS Pre-K.

Child Identifier	PALS Fall Score	PALS Spring Score	Gain
707	2	26	24
727	0	4	4
706	6	23	17
709	0	13	13
701	0	25	25
712	15	23	8
734	0	4	4
736	0	7	7
718	0	13	13
Average	2.3	15.3	12.7

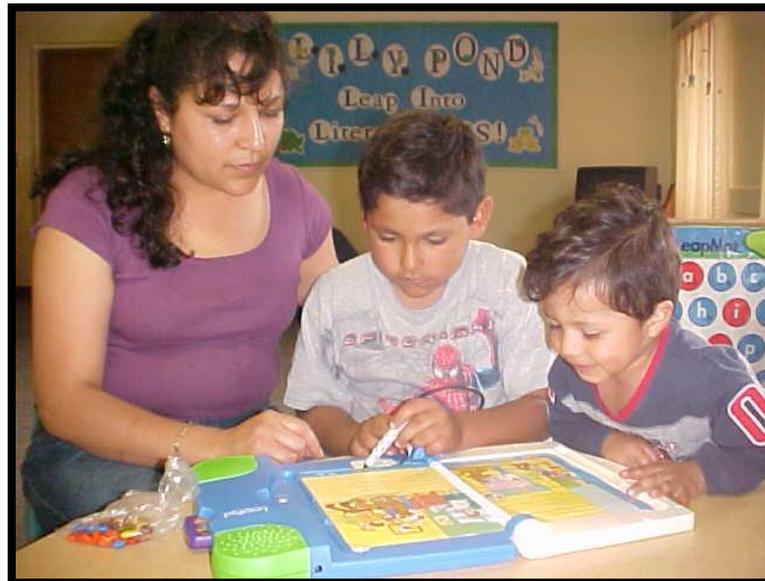

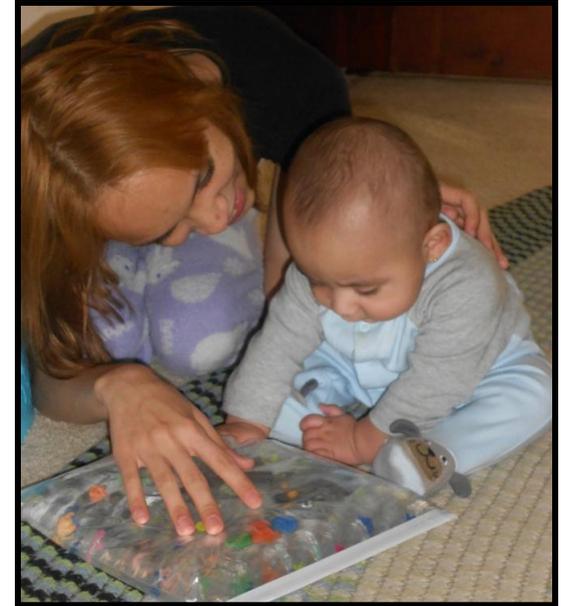

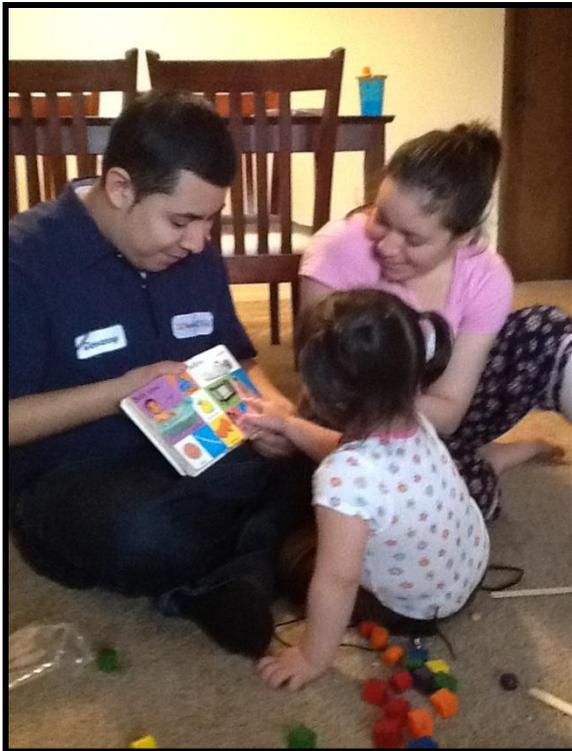

- 50% of school age children will meet or exceed district objectives
 - in reading. (7 of 8)
 - in writing (5 of 8)
 - in math (6 of 8)
- 90% of school age children will be promoted to the next grade as documented by the Teacher Survey. (8 of 8)
- 75% of school age children will attend school for at least 160 days. (7 of 8)

Parenting

Home visitations

Parents are taught dialogic reading techniques.

Parents are prepared for Parent-Teacher Conferences

All the families get library cards

Parents volunteer in classrooms

Interactive Literacy Activities

ILA time

Family Nights

Parenting & ILA Indicators:

- 50% of parents will show improvement on measurers of parental support for children's learning in the home, school environment, and through interactive learning activities. (Crete had 19 of 28 meet the indicator-- 82.6%)
- 50% of parents will have a rating of at least 3.5 as measures on the KIPS (a 5-8 minute video) which measures the quality of parenting intersection. (Crete's MEES average was 4.05 based on a 1-5 Likert scale with 5 illustrating competency.)
